Description: In the southeast corner of Bountiful, the North Canyon Trail climbs from the foothills to cool forests overlooking the Great Salt Lake. The ride is about 1/3 doubletrack, 2/3 singletrack. North Canyon starts at 5400 feet and climbs 1800 vertical feet to Rudy's Flat in exactly 4 miles. Some riders do this trail as an out-and-back (8 miles), others combine it with the nearby Mueller Park Trail as a 13.5 mile loop.

Trailhead Location: On I-15, take the 2600 south Bountiful/Woods Cross exit. Go east towards the mountains. The road will turn north and be renamed Orchard Drive. While heading north, turn right (east) on 1800 south. Just as you reach the bottom of a steep hill, turn right at the intersection. (This is about 0.6 miles before the Mueller Park trailhead. If you arrive there, backtrack.) After 1.7 miles, turn left on Canyon Creek and go uphill 0.7 miles to the end of the pavement. Start your ride by heading east (uphill) on the dirt road.

Length: 3.6 miles
Time: 1 to 2 hours up and back
Elevation Rise: 1,400 ft.
Use: hike, bike, equestrian, motorized
